ANNUAL CONFERENCE 2019: *WRIGHT'S INFLUENCE IN POSTWAR SOUTHERN CALIFORNIA*

LOS ANGELES, CA

WEDNESDAY, OCTOBER 2 TO SUNDAY, OCTOBER 6, 2019

ABOUT THE 2019 ANNUAL CONFERENCE

For 30 years, the Frank Lloyd Wright Building Conservancy's annual conference has been one of the best ways to raise awareness of the importance of preserving Wright's historic architectural legacy.

Conservancy conferences bring together more than 200 scholars, architects, Wright homeowners, public site administrators and high-level enthusiasts from around the world to discuss the significance of Wright's work and to strengthen the collective knowledge around the ongoing preservation of his nearly 400 extant buildings. With a Wright building in three quarters of the United States, the conference plays an important role in educating local communities about the significance of Wright's buildings.

Our 2019 conference in Los Angeles, *Wright's Influence in Postwar Southern California* will focus on Wright's work and recent attempts to preserve his legacy, as well as the influence he had on other architects and popular culture during the post-WWII era. Through a combination of educational presentations, panel discussions and tours of private residences not regularly accessible to the public, the Conservancy's conference provides new insights into this time and place in design history. Local-area students and faculty are admitted to lectures and panels free of charge—a benefit directly supported by sponsors.

2019 Conference Location: DoubleTree by Hilton Hotel Los Angeles Downtown, 120 S. Los Angeles St., Los Angeles, CA

ABOUT CONFERENCE SPONSORSHIP

Sponsorship is key to the financial success of our conference, which in turn powers our ability to enact our preservation and advocacy goals throughout the year. Your sponsorship will directly support our mission to preserve an irreplaceable cultural and architectural legacy while also increasing awareness of your organization and brand among a grateful and discerning audience. Your support will be honored and highlighted throughout the event in publications and on signage.

Sponsorship Levels include:

Presenting Partner – \$25,000

Major Partner – \$10,000

Conference Partner – \$5,000

ABOUT THE FRANK LLOYD WRIGHT BUILDING CONSERVANCY

When you sponsor the Frank Lloyd Wright Building Conservancy, you help save an important architectural legacy. We are the only organization focused exclusively on the preservation and maintenance of the remaining structures designed by Frank Lloyd Wright. Since our formation in 1989, the Conservancy has led efforts to save many Wright buildings that otherwise would have been lost forever. Our mission is to facilitate the preservation and maintenance of the remaining structures designed by Frank Lloyd Wright through advocacy, education and technical services.

- **Advocacy** – We serve as a first line of defense against demolition or neglect of Wright structures by monitoring the status of Wright buildings, and forming local and national coalitions that works together for the long-term survival of Wright-designed buildings.
- **Education** – We foster research, the exchange of ideas and networking among building stewards, architectural historians, preservation experts, designers, students and lovers of architecture. We provide the opportunity to explore the richness and importance of Wright's architecture through the first-hand experience of his buildings – many rarely open to the public.
- **Technical Services** – We link Wright property owners with restoration and maintenance resources and help facilitate preservation strategies such as preservation easements.
